Grand Knight's Message-Dan Lazzeri

Brothers,

After reviewing the budget from last year it is clear that our council is indeed working for the greater good. This outcome is a tribute to you and to those who have guided you. Past leadership has taken us on a path that was reflective, inventive and supportive of the goals of our council and the mission of our church. We would not have been able to do this without the hard work of the volunteer program directors; Al Schopp-Church Director, Dan Timmerman-Council Director, Chris O'Reilly-Membership Director, Al Stapleton-Community Director, John Whattam-Youth Director, and John Park-Family Director. These brothers stepped up and took an active roll in making all of us work to ensure that our council succeeded in our mission. Special thanks go to Dan Lazzeri for his leadership, guidance and vision for the future of our council. Brian Lefever, as Grand Knight, challenged our council with a goal to give away 10% of everything we make. Dan Lazzeri, as Grand Knight, challenged our council with a goal to be more visual and vocal as a service organization in the community of Highlands Ranch. To reach these goals as a council I propose the following two areas/items : 1) give away at least 10% of everything we make to those in need; 2) save 10% of what we make and put in savings for our own (future) knights hall.

I, as your Grand Knight, challenge you to better educate our current brothers of what the knights actually do and challenge them to do more. I believe that if we can communicate better with each other, then we can grow as an organization in which all are involved and truly reach our whole community. To make this a reality I would like to implement three items: 1) a mentor system in which each knight personally invites another brother to our events 2) a volunteer to update our phone tree so each brother can have one to invite a uninvolved brother; and 3) a

newsletter that is mailed to the general assembly before the monthly meetings to better inform our brothers of happenings in our council.

A final thank you goes to those in leadership who you don't always see doing their job, but who play(ed) a vital roll in making our a council run smoothly: Patrick McAllen-Financial Secretary, Dan Mortimore-Treasurer, and Paul Stege-Recorder.

Brothers let me close with this thought: Do you know a brother knight who is not involved? Pick up the phone and let him know that he is needed.

Vivat Jesus,
Andy Michaud
